A violation can result in five years imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. These fees are in addition to any costs or penalties from suppliers.

## Gratuities

Tips for all the included features of your tour (baggage handling, included meals, etc.) will be taken care of by your Tour Director. Tips for meals on your own or for other services are at your discretion. Customary tips for the Tour Director & Driver are on a voluntary basis and given individually. Gratuity guidelines will be provided with your tour documents.

## Activity Level

To help evaluate if a tour is right for you, Holiday Vacations has designed a rating system that identifies a tour's average activity level.

Activity levels have five ranks ranging from "Relaxing" to "Active". On a tour rated "Relaxing," expect to climb some stairs, navigate slight slopes, stand for reasonable periods of time, and walk over relatively level conditions. On a tour rated "Active", expect a high activity level with challenging conditions, lots of walking, uneven surfaces, and possibly high altitudes.

Holiday Vacations guests must be able to navigate airports with their own luggage. Airport personnel can provide wheelchair assistance upon request. Guests must also be able to handle their own carry-on bags on airplanes, on and off motorcoaches, and to and from hotel rooms. Checked luggage will be delivered to and from guests' hotel rooms on their behalf.

If a guest requires mobility assistance, they must be accompanied by an able companion who is totally responsible for providing the guest's necessary assistance. Holiday Vacations does not provide personal attendant services.

All activity level ratings are relative to each guest's individual levels of fitness and mobility. Holiday Vacations is unable to determine your travel health and fitness level. Please consult your doctor when evaluating your ability to travel.

## Insurance

Holiday Vacations recognizes the value and importance of travel insurance for our customers. We offer an optional Travel Protection Plan, which helps provide coverage for Trip Cancellation, Trip Interruption, emergency Medical and Emergency Evacuation/Repatriation, Trip Delay, Baggage Delay and more. An insurance brochure will be mailed with your first statement or may be requested in advance. If you would like to purchase the insurance, please contact Holiday Vacations. Please Note: Insurance must be purchased on or before your final payment due date. ## Solo Travelers

Holiday Vacations welcomes solo travelers. We will try to assist in arranging a roommate for any person wishing to share accommodations at the double occupancy tour rate. Should a shared arrangement not be available, the single price applies.

## Triple & Quad

These accommodations are usually in rooms with two double beds. A rollaway bed or cot is subject to availability on a request basis.

**Real ID Domestic Tours:** Effective for all domestic flights with a start or finish after **October 1, 2021**, all passengers 18 years of age and older must carry a **REAL ID** compliant driver's license or another federally approved ID such as a Passport, active Military ID or Global Entry card.

## Passport Required (FOR INTERNATIONAL TRAVEL)

Your Passport must be valid for **6 months** from the end date of your tour. It is Holiday Vacations' policy that all tours traveling outside of the United States require a valid U.S. Passport in the form of a Passport book. Passport cards are not advised for any Holiday Vacations tour traveling outside of the United States.

## Travel to Canada

Even with a required Passport, Canada considers people with certain criminal records as inadmissible. Canada classifies DWI's, DUI's and OWI's as felonies and considers a person inadmissible if they have one of these in the past 10-15 years on their record. Other offenses such as multiple DUIs, theft or assault can bar entry even if committed decades ago. More information can be found at [www.cbsa-asfc.gc.ca](http://www.cbsa-asfc.gc.ca) or through your lawyer. Holiday Vacations does not accept any responsibility and travel insurance will not cover losses or expenses due to inadmissibility or an individual's legal status.

## Tour Documents

Tour packets will be mailed at least ten days before your tour departure date. This material includes tour pickup location and time, a tour itinerary, hotel list and luggage tag.

## Train Routes & Schedules

Please note that train schedules and/or routes are subject to change by railroad passenger services. No liability shall be incurred by Holiday Vacations for subsequent changes to train schedules and/or routes.

## Cruise Line Charges

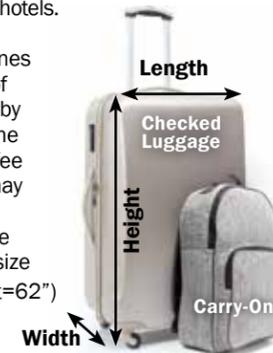

Additional fees applied by the cruise lines are not included in your tour price. These fees include but are not limited to: daily service charge for cabin & wait staff, specialty restaurant cover charges and optional shore excursions.

## Photography & Video on Tour

Holiday Vacations reserves the right to take photographs and/or videos on any of its tours and to use such records for promotional and/or commercial purposes.

## Checked Luggage

Each guest is allowed one suitcase which will be handled for you at hotels. The cost of checking luggage with the airlines is the responsibility of each guest (charged by and paid directly to the airlines). An excess fee or handling charge may be collected by the airlines for each piece over the designated size (length+width+height=62") and weight (50 lbs).

## Carry-On Bags

In addition to your suitcase, each person is allowed one soft sided carry-on, intended for items you need on a daily basis. We recommend a small day bag, such as a soft-sided backpack. To avoid any charges, the carry-on must fit into the overhead bins of a motorcoach (smaller than airplane overhead bins). You may also bring one personal item, such as a camera bag, briefcase or purse. Carry-ons are your responsibility to handle and cannot be stored under the motorcoach.

Additional pieces of luggage will be handled for you at hotels at \$6 per bag, per day or at the cost specified for certain tours. Though every effort will be made to safeguard your baggage, Holiday Vacations accepts no liability for loss or damage.

## Insecticide Use On Aircraft

Some countries require aircraft to be treated with insecticide in order to protect agricultural, environmental and public health. For current information on the use of insecticides on aircraft and the participating countries, please visit the USDOT's website at <https://www.transportation.gov/airconsumer/spray>.
